
LOST ITEM

- Notify the security within their community regarding their missing item.
- If the item is not found within 3 days, the resident is advised to report it to Dubai police.
- In cases of missing documents and identification, we recommend reporting the incident to your community security and parallel to it, to have a report in Al Barsha Police Station.
- In case of missing bank cards, we advise deactivating the card and to call your bank if not found.

For handover and collection of missing items, the resident must always present their original **EID/Valid document** so the security team can register the inquiry or hand over the item.

Disclaimer:

Management and processing of Lost & Found performed at no additional expense to resident. Nshama and its subsidiaries, their management shareholders, directors, employees, service providers, and suppliers accept no responsibility whatsoever for loss, damage, or other eventualities inflicted or occurring to items while being processed as part of the lost & found procedure or while under their possession.
